Med Health Services & Pittsburgh Cardiovascular Institute

Located in the heart of Monroeville, PA, Med Health Services and Pittsburgh Cardiovascular Institute outpatient diagnostic testing facility provides physicians, clinics, nursing homes and personal care facilities in the tri-State area with the diagnostic testing services that are essential to the basic management of patient care. For almost 30 years, our specially trained and certified technicians have been providing patients in the medical community with the following outpatient diagnostic testing services:

- CLIA Certified Medical Chemistry Laboratory Services
- Patient Walk-In Laboratory Draw Station
- Nuclear Medicine
- Ultrasound & Echocardiography
- Holter Monitoring
- Nerve Conduction Testing
- X-Ray

A pioneer in a multi-specialty group practice of outpatient medicine, Med Health Services has over 80 conveniently located offices and walk-in laboratory draw stations that are designed, built and operated around the needs of patients and their families. Our specially trained and certified personnel will also travel to a physician's medical office or facility to provide STAT, bedside diagnostic laboratory, nuclear medicine and ultrasound services.

Patients can expect technologists and radiologists who are among the best in their specialties. Each of our outpatient facilities throughout the area is certified by the American College of Radiology.
