**Center for Latin American Studies
Outreach Program**

As a National Resource Center on Latin America, CLAS' Outreach Program plays a pivotal role in sharing information and expertise on Latin America to educators both at the college/university level and kindergarten through secondary (K-12) level, the professional community, and general public as part of its Educational Public Service (Outreach) mission. Outreach programs are offered throughout the academic year. These include but are not limited to: professional development workshops, study abroad opportunities, faculty development seminars, summer research fellowships, curriculum development projects, school visit program, lecture and film series, resource lending library, and two newsletters (CLASicos and Las Noticias).

Jóvenes sin Nombres

Jóvenes Sin Nombres is a group composed of first generation Latinos from Mexico, South America and the Caribbean. While Latinos are Pittsburgh's fastest growing immigrant population they remain largely invisible to the larger population. Jóvenes Sin Nombres thus aims to strengthen Latino youths' engagement with Pittsburgh through arts projects that allow them to explore the relationship between their cultural traditions and the history of the city they now consider home.
