Graduate Certificate

To complete the graduate certificate in European Union Studies, a student must take 18 credits of EU Studies graduate courses and demonstrate foreign language proficiency equivalent to having taken three years (six semesters) of progressive undergraduate or higher level instruction in an official language of an EU Member State or an official EU candidate country. A student must also write an EU-focused research paper approved by a faculty member and complete one "co-curricular" activity.

1. Language Proficiency

Three years (six semesters) of college-level instruction, or the equivalent proficiency, in one official language of the EU or that of an official EU candidate country other than English.

2. European Union Studies Courses and Seminars

At least 18 credits of EU studies courses or seminars, of which at least 9 credits must be outside the student's major school/department. The 18 credits must include six credits from the list of "core" EU courses. Please see the center's graduate advisor for the list of "core" EU courses. Up to two upper division undergraduate courses, pre-approved in consultation with the graduate advisor, can be used towards the requirements of the certificates.

3. Research Paper

An interdisciplinary research paper of 15-25 pages or longer that reflects the use of materials in an official language of the EU. The paper could be prepared for a course, but students are urged to conceptualize it with the Certificate requirements in mind and to consult with the EUCE/ESC or REES graduate advisor while writing it. The paper will be evaluated by an EUCE or REES affiliated faculty member, depending through which Center the student originally enrolled in the Certificate program.

4. Co-curricular Activity

Participation in at least one EU-related activity approved by the EUCE/ESC or REES graduate advisor. The student must consult with the graduate advisor for a list of approved activities.

5. Completion of Degree Requirements

Students must complete all requirements for the Master's or professional degree or pass the preliminary examinations for the Ph.D.

The Graduate Student Conference is an annual event in which students from Pitt as well as other North American and European universities share their research related to the EU. Information on the most recent or upcoming conference is available at: http://www.ucis.pitt.edu/euce/events/gradconf/index.html

"Pizza and Politics" is a monthly lecture series in which graduate students informally share their research on the EU including its history, institutions and foreign policy.
