

UCIS-EUCE FACULTY FELLOWSHIP, FALL 2010 *OR* SPRING 2011

The University Center for International Studies (UCIS) and the European Union Center of Excellence (EUCE) are calling for proposals for its Faculty Fellowship Program for faculty in Business, Law, or Public and International Affairs. One Faculty Fellowship for one semester to be taken during the Fall of AY 2010 or Spring of AY 2011 is available. The purpose of the Fellowship is to enable faculty members to undertake research projects that enhance the University's capabilities in some branch of European Union studies. Since the purpose of the EUCE Faculty Fellowship is to benefit the institution's priorities, the Fellowship does not interrupt the accrual of terms toward a sabbatical. The Fellowship is awarded in close collaboration among the EUCE, the faculty member, the relevant Department Chair, and the Dean of the Joseph M. Katz Graduate School of Business, the Law School, or the Graduate School of Public and International Affairs (GSPIA.) The grant includes a limited research fund. The deadline for submitting a completed application is January 15, 2010.

The proposed research should address EU policies, politics, law, economics, business, external or transatlantic relations. The research should lead to publications that are accessible to practitioners as well as publications targeted at the scholarly community. The interest of practitioners in the proposed research will be taken into consideration by the awards committee. Research that could be related to a "policy conference" attended by practitioners as well as scholars would be favorably viewed.

Amount of Grant

The UCIS Faculty Fellowship is jointly funded by UCIS and the faculty member's school or department. UCIS provides replacement costs for the faculty to the school and provides a limited research fund to the faculty member for use during the Faculty Fellowship. The amount of the award for replacement cost is individually negotiable between the Director of UCIS and the dean and chair in whose unit the grantee has his or her primary appointment. The amount of the research fund is \$2,000. UCIS Faculty Fellowships are awarded for one semester.

Eligibility

Full-time tenure-stream and tenured faculty at the University of Pittsburgh from either the Joseph M. Katz Graduate School of Business, the Law School, or the Graduate School of Public and International Affairs are eligible to submit a proposal. Adjunct, visiting and emeritus faculty, non tenure-stream faculty (lecturers and contract faculty), and students are not eligible. The dean of the school of the applicant's primary appointment must support the proposal.

Funding Priorities

Proposals must demonstrate a significant impact on the international academic reputation of the EUCE.

Examples of Supported Projects

- Preparation of scholarly journal articles or a book-length manuscript
- Publication of an edited volume

Application Procedure/Deadlines

The application process follows the procedures of the UCIS Faculty Fellowship found at the UCIS Web site: http://www.ucis.pitt.edu/main/faculty_fellowship.html To apply submit a completed application form, a proposal narrative (not to exceed three pages, single-spaced, at least ten point font size), a current C.V. and a letter of support from the appropriate dean. Completed applications are to be submitted to the EUCE contact noted below by November 2, 2009.

Completed applications to be submitted by the end of business on Monday, November 2, 2009 to:

Timothy S. Thompson, Associate Director
European Union Center of Excellence
4200 Posvar Hall
