

international career toolkit series:

Careers in the Arts

Come with us to the Andy Warhol Museum as we explore careers in the arts. **Eric Shiner, director of the Warhol,** and Pitt alum (BPhil, History of Art & Architecture & Japanese '94), will be our special guest. After a job talk, we will tour the museum. If you are interested in careers in the arts, this is the perfect event for you!

Discover career opportunities for all fields of study
