

African Studies Course List Spring 2021

Here is a list of courses that counts towards the African Studies Certificate this spring. Beginning and Intermediate Language courses count towards the language portion of your certificate. If you know of other classes please let us know so that we can tag them! Graduate students, remember that if you focus all of your course papers on an African topic you can still count that class towards the certificate even if the class does not have 25% African content.

* must do course work on African Studies to count towards the certificate
