

# State Owned Enterprises in Latin America: *Old Problems, New Solutions*

Tuesday, March 19, 2019 • 12:30 PM - 2 PM

4130 Posvar Hall, University of Pittsburgh

Join Aldo Musacchio in discussing the problem of state-run enterprises in Latin America and how new solutions could end the boom and bust cycle of the region's nationalized businesses.

*Featuring: Prof. Aldo Musacchio*

Aldo Musacchio is Associate Professor of Business in the International Business School (IBS) at Brandeis University; Chair of the Undergraduate Business Program; Program Director of the Master's in International Economics and Finance; and Director of the Brazil and Latin America Initiatives.
