

**European Studies Center (ESC)
Partnership in Advancing Globalized Education
Undergraduate Internship Program
2018-19 Application Form**

In collaboration with the University of Pittsburgh's School of Education, the Russian and East European Studies Center, and the Asian Studies Center, the ESC is offering a 3-credit internship opportunity, designed for a full-time Pitt undergraduate student interested in secondary social studies or language education. Preference will be given to students who are currently enrolled in an ESC Undergraduate Certificate Program or the Related Concentration in European and Eurasian Studies.

Under the supervision of a School of Education faculty member, a graduate student in Pitt's Masters of Teaching (MAT) program, and an experienced high school teacher, the selected ESC undergraduate intern will develop a unit plan related to European history and/or current affairs that is suitable for a secondary social studies classroom, or a language and culture unit suitable for a language studies classroom in a Pittsburgh-area school. To do this, the intern will enroll in a 3-credit Education course in spring 2019 in order to complete a series of classroom observations, readings and reflections; co-teach several lessons with the MAT student supervisor; and develop a portfolio detailing these experiences.

To apply, please submit this completed application form to Steve Lund, slund@pitt.edu, by **Monday, October 8, 2018**.
