[Boren Awards for International Study](#)

Boren Scholarships provide up to \$20,000 to U.S. undergraduate students who plan to study less-commonly taught languages in areas of the world that are critical to U.S. national security interests. If selected, you must commit to working for the Federal government for a minimum of one year. Maximum award amounts are \$20,000 for a full academic year; \$10,000 for a semester; and \$8,000 for a summer program.

[Critical Language Scholarships](#)

The Critical Language Scholarship (CLS) Program is an intensive overseas language and cultural immersion program for American students enrolled at U.S. colleges and universities. Students spend eight to ten weeks abroad studying one of 15 critical languages. The program includes intensive language instruction and structured cultural enrichment experiences designed to promote rapid language gains.

[DAAD Scholarship Opportunities](#)

DAAD provides funding for both undergraduate and graduate studies and research in Germany. Programs can range from a three-week summer session for undergraduates to year long grants for graduate students. U.S. Citizenship is not required. Knowledge of the German language is not a requirement for all programs.

[Humboldt Foundation's German Chancellor Fellowship Program](#)

Provides recent university graduates with the financial support to spend a year in Germany pursuing research-based, self-developed projects at host institutions. Projects should be of social significance; have a long-term, publicly visible impact; and be in fields such as politics, public administration, media, business, economics, society, or culture. Award amounts include: a monthly fellowship up to €2,770,

[Mitchell Scholarship](#)

The George J. Mitchell Scholarship Program is a national, competitive scholarship sponsored by the US-Ireland Alliance. It is designed to connect the future leaders of America to the island of Ireland through one year of study at an accredited Irish university. The Mitchell Scholarship Program provides full tuition and housing; a monthly living stipend (currently \$1250 USD) for up to one year (12 months) of post-graduate academic study in Ireland and one round-trip airline ticket between the United States and Ireland.

University of Pittsburgh Sponsored Funding

Browne Leadership Fellows Program

The Browne Leadership Fellows Program is an interdisciplinary fellowship aimed at preparing students to be engaged civic leaders working for economic and social justice. Fellows will attend monthly 1-credit seminar (in January, February, March, and April) at which they will be mentored by local public leaders, learn theories of social work and community organizing, and begin to learn the skills needed for social change. The summer term will focus on community service and action projects. The culmination of the fellowship is a formal poster presentation both in the community and to the University. Students will receive a generous stipend in the amount of \$3,000 for the summer term (12 weeks) as well as one credit for the spring term.

Foreign Language & Area Studies (FLAS) Fellowships

The FLAS Fellowship program allows select Pitt students to devote full time attention to their chosen modern foreign language and area studies specialty. At Pitt, the Asian Studies Center; Center for Russian, East European, and Eurasian Studies; and the European Studies Center offers FLAS Fellowships for both the full academic year as well as for the summer. Maximum award amounts for the academic year is \$10,000 in tuition and a \$5,000 stipend. The summer award amount is \$5,000 in tuition and a \$2,500 scholarship.

NYC: Scholars in Residence

This 12-week, fully-funded residency program supports 2-4 Dietrich School undergraduates in New York City over the summer to conduct self-directed research using the city's many public resources. In the fall term following the residency, undergraduates will register for course credit to continue and finalize their final research projects and present/perform/exhibit/stage their work at a public event with the University of Pittsburgh. Throughout the summer and fall terms, students will have academic support from staff, Faculty Mentors, and Archivists/Librarians who will provide training prior to their trip to New York as well as afterwards to ensure a positive and rewarding learning experience.
