Course Title/Module Title: Migration in EU

Discipline: Early Childhood Teacher Education

Course/Module Narrative:
This module will be part of a course titled “Young Children and Families in a Diverse World”. The students learn about what culture is, their and others cultural identity, cultural competence, and establishing culturally inclusive classroom through environments and instructional practice. The module about the EU will broaden their perspective and will make them understand the increasingly globalization of current issues.

Course Objectives:
At the end of the course students will:
1. Enhance their understandings and knowledge about cultural diversity, multicultural education, oppression, and social justice
2. Reflect on instructional practices and make culturally responsive modifications
3. Self-reflect and discover your own ways to practice self-care
4. Engage constructively in cross-cultural relationships
5. Begin to execute developmentally appropriate, equity-driven approaches in their attitude, curriculum, and environment while undoing institutionalized racism.

Module Objectives/Learning Objectives:
• Students will be able to broadly define the EU purpose, history, and structure
• Students will understand the meaning of various terms (migration, immigration, refugee, asylum seekers, etc.)
• Students will be able to deeply understand at least one of the current issues the EU is grappling with.
• Students will identify the connections a particular EU current issue has the similar one in the USA.

Teacher Education Standards addressed by this module
This module will address the following inTASC standards:

Standard #2: Learning Differences
• 2(a) The teacher designs, adapts, and delivers instruction to address each student’s diverse learning strengths and needs and creates opportunities for students to demonstrate their learning in different ways.
• 2(d) The teacher brings multiple perspectives to the discussion of content, including attention to learners’ personal, family, and community experiences and cultural norms.
• 2(f) The teacher accesses resources, supports, and specialized assistance and services to meet particular learning differences or needs.
• 2(j) The teacher understands that learners bring assets for learning based on their individual experiences, abilities, talents, prior learning, and peer and social group interactions, as well as language, culture, family, and community values.
• 2(k) The teacher knows how to access information about the values of diverse cultures and communities and how to incorporate learners’ experiences, cultures, and community resources into instruction.

Standard #3: Learning Environments
• 3(f) The teacher communicates verbally and nonverbally in ways that demonstrate respect for and responsiveness to the cultural backgrounds and differing perspectives learners bring to the learning environment.
• 3(g) The teacher promotes responsible learner use of interactive technologies to extend the possibilities for learning locally and globally.

Standard #5: Application of Content
• 5(p) The teacher knows where and how to access resources to build global awareness and understanding, and how to integrate them into the curriculum.
5(q) The teacher is constantly exploring how to use disciplinary knowledge as a lens to address local and global issues.

**Course Content**
- **Presentation of the EU:** history, objectives, structure, functioning, accomplishments, main current programs and projects
- **Migration and Immigration issues** – general and specific to various EU countries
- **Importance of Migration and Immigration issues**
- **Compare and contrast the issue of immigration in EU and USA**
- **Identification of EU current efforts/projects in one of the following human rights topics:**
  - Migration and Asylum.
  - Discrimination and Intolerance.
  - Poverty and Inequality.

**Instruction & Delivery (lecture, discussion, group work, etc.)**
- **Introductory Quiz** about what they know about Europe (in general)
- **Presentation of the EU** (PowerPoint with quizzes, discussions, and videos)
- **Presentation of 2-3 current issues** – migration (within the EU), immigration, and cultural integration
- **Group work** on a topic of their choice (groups of 4-5). Each group can choose a topic from the ones presented above and research additional information to understand it better. Each group will present their project using multimedia technology following this format: define the issue, why it is important, present information in details (multimedia), identify possible solutions, identify how it impacts one or two of the main purposes of the EU (Peace, Bringing Europe together, Security, Economic and Social Solidarity, European Identity & Diversity in a Globalized World, and European Values). The presentation will end with a comparison of the issues, the effect, and possible solutions, both in EU and the US.
- **Discussion Board** “Details of Human Rights issues in the EU”
  The students will be instructed to research and identify one current issue in the EU community (e.g., Migration and Asylum, Discrimination and Intolerance, Poverty and Inequality). They will post an initial comment with references and then they will be asked to respond to 2 of their peers by choosing a specific sentence in their post and finding additional resources (articles, videos, etc.) about that issue in their comments.

**Standard #10: Leadership and Collaboration**
- 10(c) The teacher engages collaboratively in the school-wide effort to build a shared vision and supportive culture, identify common goals, and monitor and evaluate progress toward those goals.
- 10(g) The teacher uses technological tools and a variety of communication strategies to build local and global learning communities that engage learners, families, and colleagues.
- 10(l) The teacher understands schools as organizations within a historical, cultural, political, and social context and knows how to work with others across the system to support learners.
## Assessment

- **Formative assessment:** Short quiz about their knowledge of Europe in general, “Test your understanding” assessments after delivering/acquiring chunks of information (e.g., matching pairs of EU structures with their function, focused discussion boards)

- **Summative assessment:**
  1. Presentation of group projects
  2. Reflection on acquiring, processing, and applying the information in the module.
