Name: Alina H	Unit Plan: Weeks of 11/7 to 11/18
	Subject/Grade Level: Advanced French for Global
	Applications
Unit Title:	France and the European Union
Unit Narrative:	Beginning with the French Revolution which gave the world the ideas of liberty, equality, and fraternity, and continuing to Victor Hugo's visionary concept of "the United States of Europe," France has played a major role in shaping the European Union. In this Advanced French course for 11th and 12 th graders, students will explore the foundational principles behind the EU, learn about its different stages of development over the past 70 years, and understand how it functions today as an entity divided among different governing agencies. We will also explore some major issues that the EU has faced in the last decade and how France has been impacted by them.
Standards:	 PERFORMANCE INDICATORS (Can-Do Statements) set forth by the American Council on the Teaching of Foreign Languages (ACTFL) should be in this range upon completion of Global Applications in French II: What can I understand, interpret, or analyze in conversations and discussions that I hear, read or view, in which I am not a participant?
