

Europe as a Supranational Organization: Human Geography Unit 4 Topic 9

AP Human Geography Essential Knowledge 4:9 B.4 Supranational organizations—including the United Nations (UN), North Atlantic Treaty Organization (NATO), European Union (EU), Association of Southeast Asian Nations (ASEAN), Arctic Council, and African Union— can challenge state sovereignty by limiting the economic or political actions of member states.

1. Read: <https://voxeurop.eu/en/european-supranational-democracy-model-citizens-participation-beyond-borders/>
2. Note 5 characteristics of the EU as a model of what a Supranational organization is like.

Facts

- 1.
- 2.
- 3.
- 4.
- 5.

3. Choose one of the other agencies: UN, NATO, ASEAN, Arctic Council, and African Union and find an article using Gale to explain this group’s purpose and function.

Name of chosen agency:

Title and URL of article:

Group’s Purpose:

How well does it function?

4. Compare and contrast how similar the EU and your agency are and how well they conduct their job. Use a Top Hat Graphic organizer:
