

EUROPEAN CLIMATE POLITICS & ACTIVISM

FROM LOCAL TO GLOBAL

Thursday, March 29th • 2:00 pm • 4130 Posvar

European climate and energy policies have been leading the world for several years, and climate activism has long been visible in many European cities and campuses. So what's new in EU climate policy and activism? What's next for EU climate politics in the age of the Trump Administration's global gaslighting?

Stacy D. VanDeveer

is Professor of Global Governance and Human Security at the McCormack Graduate School of Policy and Global Studies, University of Massachusetts, Boston. He previously served as chair of political science, program chair for the sustainability dual major, and co-chair of the Academic Program Committee for the University of New Hampshire's Carsey School of Public Policy.
