

ADDEV Info Session

Tuesday, February 4, 2020

4:30 - 6:00 p.m.

Global Hub, Posvar Hall

Students, considering career options or a paid summer internship in Europe? Attend the upcoming info session with ADDEV, a fast-growing company with multiple opportunities and locations in Pittsburgh and Europe, to learn more about how you can grow in their company. ADDEV provides high performance materials for aerospace, defense, and transportation industries. They also serve energy, electronics, and the healthcare field.

ADDEV is looking for students with backgrounds in business, engineering, finance, project management, economics, and HR.
