

# **EUCE CONFERENCE ON ENVIRONMENT & ENERGY**

*A COMPARISON OF US AND EU POLICIES*

**MARCH 21 & 22, 2014**  
**PITTSBURGH ATHLETIC ASSOCIATION**  
**4215 FIFTH AVE, PITTSBURGH, PA 15213**

Utilizing evidence-based policy-making on environment and energy and drawing on policy experiences and research knowledge from the US and the EU, presenters at this conference will focus on the challenge of securing energy for economic growth while ensuring the protection of human health and the environment.

This conference is free and open to the public but registration is required.
