

European Union Center of Excellence 2013 Jean Monnet Symposium

Contagious Collaboration? Global Health Governance, Infectious Disease Control, and the Role of the European Union

May 22, 2013
University Club
9 a.m. – 12 p.m.

- What actors are working to combat global infectious diseases like influenza & malaria?
- Why do these different actors get involved and how do they work together?
- What role does the European Union play?

A discussion of the challenges & opportunities of today's global health governance with:

Bernard Merkel, European External Action Service, Delegation of the EU to the U.S.

Donald Burke, Dean of the Graduate School of Public Health, University of Pittsburgh

Guy Peters, Department of Political Science, University of Pittsburgh

Nidhi Bouri / Amesh Adalja, UPMC Health Security

Moderated by: **Wulf Reiners**, Marie Curie Visiting Researcher, University of Cologne

Sponsored by:
European Union Center of Excellence/ European Studies Center,
Global Studies Center, University of Pittsburgh
This project is funded in part by the European Union.
