

K-12 Programs & Resources

ONLINE, IN SCHOOL, OR IN THE MUSEUM

[AMAM website for K-12 Educators](#) Start here to schedule a class program and find resources!

Class Programs

[Visit the museum!](#) Schedule a class field trip. Bus funding to the museum may be available upon request.

[Virtual class presentation](#) Schedule a virtual museum-led presentation. Excellent alternative to a museum visit.

[In-school art suitcase presentation](#) Schedule an interactive museum-led program in your classroom using hands-on materials related to the collection.

Online Resources

[eMuseum online art collection](#) Browse our entire encyclopedic art collection online.

[Lesson plans](#) Multidisciplinary lessons for all K-12 levels focusing on East Asian art and culture with slideshows, activities, additional resources, standards, and differentiations.

[Classroom resource sheets](#) Multidisciplinary lessons related to mostly European and American art, with two from Africa.

[Videos for K-12](#) These videos were created by AMAM curators and specialists for K-12 teaching.

[Community and Family Resources](#) Resources and podcasts

[Facebook](#) and [Instagram](#) follow @allenartmuseum to find events, watch online programs, and more.

Allen Augmented Reality (AAR) Virtually tour the museum's galleries!

[Main floor galleries](#)

[AAR of current exhibitions](#)

[iSpy Activity @ the Allen](#) (for use with the Main floor galleries AAR) (PDF)

[Allen App](#) Includes different curated tours with audio descriptions, visual content, musical compositions, language translations, and more. Helpful for people with sensory impairments.

For more K-12 resources or to schedule a program with your class, contact Jill Greenwood in the Education Department at jgreenwo@oberlin.edu.
